FEATURED WORK

CEO / Director / Web & Graphics Designer 2009 ~ 2011

Cybernetic-Swagger

Dynamic Web Creations , Full-Time

I started, ran and grew this web design/development business from the ground up. My roles involved sales, business development, problem solving, constant learning, design/development team management, web design & development and more.

CEO / Director / Web & Graphics Designer 2012 ~ Current

In2Alchemy

Internet Marketing & Start-up Business Solutions, Full-time

After redefining Cybernetic-Swagger, in2Alchemy was born. I started, ran and grew this internet marketing business from the ground up. My roles involved sales, business development, problem solving, constant learning, design/development team management, web design & development, developing marketing strategies and more.

Marketing Intern 2013 ~ 2014

Coaches Training Institute (CTI) - Co-Active/Life Coaching Institution

I was performing various tasks including CRM system maintenance, IT support and marketing/internet-marketing. The first month is paying for a Life Coaching certification I completed with them.
